## REASONING

### -Procedural facts and circumstances –

The Procurement Review Body in the electronic system on the 06.01.2025, has received the complaint of the EO "D & T Group" SH.P.K regarding the procurement activity entitled: "Supply with Auto Carrier (Marimangë) for the KP" with procurement number 214-24-10564-1-1-1, initiated by the contracting authority (CA) - Kosovo Police in the capacity of Contracting Authority.

On the 08.11.2024, the Kosova Police in the capacity of the Contracting Authority has published the contract notice, while on 17.12.2024 the form for correcting errors was published.

The opening of the bids is scheduled to take place on the 30.12.2024.

The Economic Operator "D & T Group" SH.P.K on the 25.12.2024, has submitted a request for reconsideration to the CA.

The complainant (with the above information) filed a complaint at the PRB on 06.01.2025.

### *-Evaluation and administration of evidence -*

From the evidence presented, it is proven that the EO submitted the request for review outside the legal deadline, because on 30.12.2024 when the opening of the bids was planned, while the request for review was submitted on 25.12.2024, less than five (5) calendar days.

The PRB clarifies that against any decision taken by the contracting authority in accordance with the circumstances of Article 108/A, any interested party may file a complaint with the PRB, after conducting a preliminary dispute resolution procedure in accordance with Article 108/A of this Law. According to Article 60, point 1 of the Public Procurement Regulation, the Request for Review must contain the data in accordance with the F02 form and must be submitted to the relevant contracting authority through the electronic procurement system, function "Requests for Review" within the following deadlines:

Whenever the request for review concerns the contract notice or tender documents, at least five (5) days before the deadline for submission of bids. In calculating the time limits, the day of submission of bids is day (0). This deadline does not apply in cases where the CA extends the deadline for submission of bids after the decision to reject the request for review according to Article 63.1.1 of this regulation.

Therefore, from the evidence presented and the course of this procurement activity, it is concluded that the request for review submitted to the Contracting Authority on 25.12.2024 was submitted outside the legal deadline, and not as provided for in Article 60, point 1 of the Public Procurement Regulation.

### -Conclusion-

Article 108/A paragraph 3.1 of the LPP stipulates that the complaining economic operator must submit the request for review to the relevant contracting authority: "...if the alleged violation

relates to the contract notice or tender documents within five (5) days before the deadline for submission of bids”.

The contracting authority - Kosovo Police, may proceed further with the procurement activity "Supply of Auto Carriers (Marimangë) for the KP" with procurement number 214-24-10564-1-1-1, regarding this complaint, if there is no other complaint regarding this procurement activity.

The Complaints Office also found that the complainant had submitted proof of payment of the fee when submitting the complaint to the PRB, which fee is refunded in accordance with Article 31, paragraph 4 of the PRB's Rules of Procedure.

The Deputy Head of the Secretariat at the PRB, based on what was said above, decided as in the provision of this decision.

Acting Head of the PRB Secretariat

Mr. Agim Sheqiri
