REASONING

-Procedural facts and circumstances-

The Procurement Review Body in the electronic system dated 14.12.2023 has received the complaint no. 1014/23 from EO “RIO PLUS” SHPK – Prishtinë, regarding the procurement activity: “Cleaning and Hygienic Maintenance of the Facilities of the Municipality of Rahovec”

with procurement number 623-23-12928-2-1-1, initiated by the Municipal Assembly of Rahovec in the capacity of the contracting authority.

The Municipal Assembly of Rahovec in the capacity of the contracting authority, has published B05 - Contract Notice, where according to this announcement, the deadline for the submission of offers was: 14/12/2023.

EO "RIO PLUS" SH.P.K - Prishtina on the 09.12.2023 EO had submitted a request for reconsideration to the CA. Whereas on the 11.12.2023 the CA rejected the request for reconsideration of the economic operator as ineligible, on the grounds that he submitted a request for reconsideration on the weekend, dated 09.12.2023 13:46 (Saturday).

- Administration and evaluation of evidence -

The evidence presented proves that for the procurement activity "Cleaning and Hygienic Maintenance of the Facilities of the Municipality of Rahovec" with procurement number 623-23-12928-2-1-1, initiated by the "Municipal Assembly of Rahovec", the contract notice is published in the e-procurement system on the 29.11.2023, the deadline for accepting tenders was 14.12.2023. While on the 09.12.2023 EO "RIO PLUS" SH.P.K - Prishtina had made a request for reconsideration at the CA. On the 11.12.2023, the Contracting Authority rejected the request for reconsideration of the economic operator as ineligible. The complainant was obliged, in accordance with paragraph 3.1 of Article 108/A of the LPP, within the legal deadlines to submit a request for reconsideration to the CA and only after leading the preliminary procedures in the CA, the economic operator in accordance with Article 109 of the LPP - will be able to file a complaint at the PRB. Article 108/A paragraph 3.1 of the LPP stipulates that the complaining economic operator must submit the request for review to the relevant contracting authority: *if the alleged violation is related to the notification of the contract or the tender documents within five (5) days before the deadline for submission of offers. Likewise, article 60.1 point a) in Regulation 001/2022 on Public Procurement determines that: Whenever the request for reconsideration is related to the contract notice or the tender documents at least five (5) days before the deadline for submission of offers. In calculating the time limits, the day of submission of offers is day (0).* Therefore, from the evidence presented and the course of this procurement activity, it is established that the complaint submitted to the Procurement Review Body on 14/12/2023 by EO "RIO PLUS" SH.P.K - Prishtina for the procurement activity entitled: "Cleaning and Hygienic Maintenance of the Facilities of the Municipality of Rahovec" with procurement number 623-23-12928-2-1-1 initiated by the "Municipal Assembly of Rahovec", is rejected as not permitted because the complainant did not submit the request for reconsideration within the legal deadlines against the notification of the Contracting Authority. Therefore, the Procurement Review Body clarifies that only after leading a regular preliminary procedure and within the legal deadlines at the CA, the complainant can file a complaint at the PRB. In

conclusion, this complaint is in violation of Article 108/A, 109 and of the Law on Public Procurement, and Article 60 of Regulation 001/2022 on Public Procurement, and as such is dismissed as not allowed and was not considered by PRB.

However, the PRB always starts from the rules, solutions and principles of the LPP, according to which each CA exercises its independence in the sense of article 8 and 9 regarding procurement planning and forecasting needs, but the aforementioned criteria must always guarantee equality of EO which are provided as such also with TD which in terms of Article 27, in connection with Article 28, constitutes the key public procurement document. Therefore, in the sense of Article Article 51 (Notification of Selection Criteria) of the LPP, according to which all selection criteria must be limited only to the criteria necessary to ensure that only economic operators who possess the necessary professional, financial and technical skills to fulfill the terms of the relevant contract will be considered qualified to receive such a contract or to receive an invitation to tender. And that, in no case, the contracting authority should not include, specify or use selection criteria that are based on considerations other than those allowed by the provisions of articles 65-70 of this law. Therefore, the Review Panel informs the CA that in every activity must act in accordance with the legal provisions and authorizations as provided by Articles 1, 6, 7, 27, 28, 51, 59, 60, 69 of the LPP.

The contracting authority - "Municipal Assembly of Rahovec" can continue with the procurement activity "Cleaning and Hygienic Maintenance of the Facilities of the Municipality of Rahovec" with procurement number 623-23-12928-2-1-1, in relation to this complaint , if there are no other complaints about this procurement activity. The Procurement Review Body informs that in every activity CA must act in accordance with the provisions and legal authorizations as defined by article 1, 6, 7, 27, 28, 59, 60 and 65 of the LPP.

Since the submitted complaint is dismissed as unauthorized, not being examined in accordance with Article 31 point 4, of the PRB Work Regulations, the complaining economic operator is returned the complaint fee in the amount deposited when the complaint is submitted, if eventually has paid. The complaining EO is obliged to, in accordance with Article 31 point 6 of the Rules of Procedure of the PRB, within a period of sixty (60) days, make a request for the return of the insurance of the complaint, otherwise the deposit will be confiscated, and these funds will go to the Budget of the Republic of Kosova.

The President of PRB, based on what was said above, decided as in the provision of this decision.

President of the PRB

Mrs.Vjosa Gradinaj
