## **REASONING**

### *-Procedural facts and circumstances-*

On the 13.06.2023, the Municipal Assembly of Prishtina, in the capacity of the contracting authority, published the Notice on the Decision of the Contracting Authority regarding the procurement activity entitled: “Cleaning of school buildings - High schools and preschool institutions in the Municipality of Prishtina”, with procurement no: 616-23-781-2-1-1.

On the 19.06.2023 EO NTP "BENI" submitted a request for reconsideration to the CA. Whereas on the 20.06.2023 the CA rejected the request for reconsideration of the economic operator as not allowed.

The economic operator dissatisfied with the decision of the CA-Municipal Assembly of Prishtina has submitted a complaint to the Procurement Review Body through e-procurement on the 01.07.2023.

### *-Administration and Evaluation of Evidence -*

The evidence presented proves that for the procurement activity “Cleaning of school facilities - High schools and preschool institutions in the Municipality of Prishtina” with procurement number 616-23-781-2-1-11, the Municipal Assembly of Prishtina in the quality of the contracting authority (CA) has published the Notice on the Decision of the Contracting Authority on the 13.06.2023. Against this notification, a request for reconsideration was submitted by the complaining economic operator on the 19.06.2023, while on the 20.06.2023 the CA rejected the request for reconsideration of the complaining economic operator.

Since the above-mentioned decision of the CA-Municipal Assembly of Prishtina was published on the 20.06.2023, the legal deadline to submit a complaint to the PRB has started running from 21.06.2023 to 30.06.2023 at 16:00.

The office for receiving complaints after receiving the complaint has found that the complaining economic operator EO NTP "BENI" has submitted a complaint to the Procurement Review Body on the 01.07.2023, Saturday, at 12:28. And this complaint was received by the Office for accepting complaints on the 03.07.2023, Monday, with protocol number 453/2023. Consequently, the complainant was obliged, in accordance with paragraph 2 of Article 109 of the LPP, to submit a complaint to the PRB within the legal deadlines, after conducting the preliminary procedures in the CA.

Article 109 paragraph 2 of the LPP stipulates that Complaints to the PRB must be submitted within ten (10) days after the decision issued by the contracting authority in the preliminary dispute resolution procedure in accordance with Article 108/A of this law. Likewise, Article 64.1 in Regulation 001/2022 on Public Procurement stipulates that: The complaint to PRB must be submitted only after leading a preliminary procedure for resolving the dispute and submitted within ten (10) days after the decision issued by the contracting authority in the preliminary dispute resolution procedure in accordance with Article 108/A of the LPP.

*-The conclusion-*

On the basis of the above, it is concluded that the complaint submitted to the Procurement Review Body dated 03.07.2023 by EO NTP "BENI" for the procurement activity "Cleaning of school buildings - High schools and preschool institutions in the Municipality of Prishtina" is ineligible because the complainant did not submit the complaint within the legal deadlines against the notification of the Contracting Authority. The Procurement Review Body clarifies that only after conducting a regular preliminary procedure and within the legal deadlines, the complainant can file a complaint at the PRB. As a conclusion, the complaint was submitted in violation of Article 109 of the Law on Public Procurement and Article 64 of the Regulation 001/2022 for Public Procurement, as such, is considered inadmissible and was not considered by the PRB.

The contracting authority - the Municipal Assembly of Prishtina, can continue with the procurement activity (described above) if there is no other complaint about this activity. The Review Panel, however, informs them that in every activity CA they must act in accordance with the legal provisions and authorizations as defined by Article 1, 6, 7, 27, 28, 59, 60, 65 of the LPP.

Regarding the complaint's fee, it is decided in accordance with Article 31 point 4, of the PRB's Work Regulations, that the complaint's fee is returned to the complaining economic operator in the amount deposited when the appeal is submitted. The complaining EO is obliged to, in accordance with Article 31 point 6 of the Rules of Procedure of the PRB, within a period of sixty (60) days, make a request for the return of the insurance of the complaint, otherwise the deposit will be confiscated, and these funds will go to the Budget of the Republic of Kosovo.
