**DECISION**

1. Dimissed as not allowed - incomplete, the complaint of Kompania e Sigurimit Alpha Private Security SH.P.K., with protocol no. 2023/1051, dated 26/12/2023, this complaint submitted for the procurement activity " Physical security services for MIA facilities” with procurement number 214-23-11803-2-1-1, initiated by the contracting authority (CA) - MINISTRY OF INTERNAL AFFAIRS.
2. The contracting authority - MINISTRY OF INTERNAL AFFAIRS is allowed to continue with the procurement activity “Physical security services for MIA facilities” with procurement number 214-23-11803-2-1-1, in relation to this complaint, if there are no other complaints about this procurement activity.

## REASONING

### *-Procedural facts and circumstances-*

The Procurement Review Body in the electronic e-procurement system dated 12/26/2023, in the complaints section, has received a complaint from EO Kompania e Sigurimiti Alpha Private Security SH.P.K., for the procurement activity with "Physical security services for facilities of the Ministry of Internal Affairs" with procurement number 214-23-11803-2-1-1", initiated by the Ministry of Internal Affairs, in the capacity of the contracting authority.

After receiving the complaint, the complaints office, during the verification of whether the complaint was submitted according to the rules and legal provisions, found that the complainant for the complaint in question did not provide proof of payment as required by point 10 paragraph 1 of article 111 of the LPP- and Article 69 of Regulation No. 001/2022 on Public Procurement.

Based on the fact that the complainant did not attach the bank's confirmation of the fee to the above-mentioned complaint, the office for receiving complaints on 27.12.2023 via email notified the complaining EO that he did not attach the form to the above-mentioned complaint to secure the Complaint deposit, complete the complaint according to Article 111 of the LPP, otherwise the complaint is dismissed as inadmissible. However, despite this notice and clarification of the PRB, the complaining EO has not completed the complaint according to the institution's request.

From the evidence presented, it is estimated that the complaint submitted by EO Kompania e Sigurimiti Alpha Private Security SH.P.K., dated 26/12/2023 (protocol 1051/2023), for the procurement activity entitled "Physical security services for MIA facilities -s" with procurement number 214-23-11803-2-1-1, initiated by the contracting authority (CA) - MINISTRY OF INTERNAL AFFAIRS, is considered incomplete because the complainant has not deposited the insurance fee of his complaint as required in point 10 paragraph 1 of article 111 of the LPP related to article 118 of the LPP.

Therefore, the review procedure of this complaint ends at this stage by discarding it as unauthorized - incomplete because this complaint does not meet the conditions to proceed further as required by the aforementioned legal provisions.

The contracting authority - MINISTRY OF INTERNAL AFFAIRS is allowed to continue with the procurement activity "Physical security services for the facilities of the Ministry of Internal Affairs", with procurement number 214-23-11803-2-1-1, regarding with this complaint, if there is no other complaint about this procurement activity. However, the PRB informs the CA that in every activity I must act in accordance with the legal provisions and authorizations as provided for in article 1, 6, 7, 24-2, 27, 28, 59, 60 and 65 of the LPP.

The President of PRB, based on what was said above, decided as in the provision of this decision.

Mrs. Vjosa Gradinaj
